✂ **General Description for Singing Princess Character Visit:** We work with one actress who will appear as the requested character at the time specified above. If there are special instructions, please discuss them with us. Character will arrive in full costume, will require a cd player or an outlet for her background music, will greet the guests, tell a story, and will begin singing performance as appropriate. Singing will run about 15-20 minutes. Character will mingle with children, pose for pictures, and may bring character coloring pages and conduct other simple activities as appropriate. Any special requests will be considered and may be noted below:

#### ◆ **General Description for Princess Dress-up Party Packages: What you can expect prior to the party...**

We recommend you notify invitees with the following information: *Dress-up activities will begin promptly at the start time so be sure your child does not miss any of the fun! We recommend that children wear a slip, leotard or something tight-fitting under their clothing in order to participate comfortably during dress-up.*

We will call you the week of your party to finalize preparations and obtain a headcount. If you have chosen the Tea Party Option, we suggest you provide a simple menu such as cheese & crackers, fresh cut fruit, mini-muffins, small cookies, or "tea" sandwiches.

◆ **Day of the party:** We will arrive an hour prior to the party to set up. Please provide a table for the tea party (if applicable) and a place to do the craft (if another table is not available, the floor works fine). We'll provide table linens, plates, tea cups, & flatware for the tea party packages. You will provide food and everything needed to serve the cake. Don't forget candles & ice-cream if you wish to have them! **For our 1 1/2 hour Dress-up Party without the Tea Party**, please plan to serve cake or any food items following the 1 1/2 "princess-hosted" activities. "Present time" will be included as part of the 1 1/2. If you have requests or questions, please contact us to discuss them. An example of how the party will likely flow is listed on page 2. Breakdown/ clean-up following the party will typically take us about 45 minutes.

#### **ALL PACKAGES**

##### **Down Payment:**

Send in a **\$100.00 down-payment** to book your date and time. A date will not be "locked in" until the deposit and Agreement have been received. The down-payment will be subtracted from your party/visit total.

**Balance may be paid at the same time, or is to be mailed just prior to the party (see name/address below.)**

Due to the nature of our business, the \$100 down-payment is non-refundable should you cancel unexpectedly (balance would be refunded if you had already pre-paid in full). We will, however, be happy to reschedule your party to another date and honor your down-payment.

\*We will contact you to touch base on any details and confirm the week of your party.

Thank you for choosing Little Princess! We look forward to creating a special party for *Your* Little Princess!
