Dear Carol,

I'm sorry this payment is a little delayed. I wanted to take a moment and Thank you for the service you offer. Cinderella was a delight! She brought magic into our home. When we asked our daughter what she liked best about her party, she responded, "Cinderella come my house". Cinderella captured the attention of all Ali's family and friends ages one to 68years. Many remarked on her talent-her voice. We were very pleased with Cinderella, her story, songs, games, attention to the little ones who were engrossed in her attendance, and most especially her patience and willingness to "go with the flow" and assist when needed. Thank you so much for helping us in providing our daughter with a magical and memorable 3rd birthday. A special Thank You to Cinderella! Attached are a few photos we would like to share with you and for Cinderella to use in her portfolio. She was dynamic!

Thank you again.

Sincerely,

Jen & Steve Martel
(Ali's parents)

What a great time! Thank you Cinderella for making Ali's dreams come true!

Dear Carol,

Enclosed please find a check for the balance due on our visit from your singing princess. Ella was completely enchanted by Cinderella! In fact, Cinderella had all of us in awe - adults and children alike. Your actress is incredibly gifted and talented.

Thank you for making our daughter's birthday one we will never forget. It will be very difficult to top... and considering she is only 3, I've got my work cut out for me!

Sincerely,
